

United States District Court
Sherman.Tx. Eastern Division

Gerald Demarsh Sr.

v.s.

case: 4:14cv141

Sheriff Travis

Bobby Mcfarling

FILED
U.S. DISTRICT COURT
EASTERN DISTRICT OF TEXAS
JUL 15 2014
BY DAVID J. MALAND, CLERK
DEPUTY

To reply to Magistrate Bush's orders,

I received Bush's reconsideration July 12 2014 for judge Schell. Bush is nothing but a political stooge for the republican party. He has been for every law suit I have filed. I know if United States Senator Patrick Leaky investigates he will find Schell and Bush are obligated to Senator Conner, He was the one that the senate confirmed his nomination. I have been in the United States District court system for ten years and have never had a jury trial. I put in jail for thirty four days just for them to try to intimidate me into dropping the law suit. My son has been sent to prison for two years without a having a jury trial. On any of the law suits Steven was not guilty any more than you or I. After I hit Mcfarling I was arrested for a felony the bond was 10500.00. Mcfarling is some relation to a state judge also.

1: At the Denton senior citizen center Mcfarling kept kicking a WWII vet under the table, the guy was afraid of him.

2: My son was selling raffle tickets I bought ten of them laid them down on table to go to restroom when I returned four were missing Mcfarling picked them up, later he asked me to put them in basket. A couple of days later I asked him why he didn't sign them he said he was in a hurry.

3: I had a growth ~~cut out~~ under my arm on 10-25-2013, it was cancer. On 10-28-2013. Mcfarling slapped me on my shoulder as I was setting at table at senior center, I started to hit him back but due to the pain I waited. Mcfarling ~~instigated~~ ^{instigated} the fight. I finally released on 11-29-2013 after a no bond was lifted after several days. While I was in the county jail I told medical personal I had broke something loose ~~at~~ ^{at} the point of surgery it was draining a lot of fluid, from the tube into the vacuum bottle. I requested to be taken to Baylor cancer center. I never was seen by medical and they only changed my dressing twice while in county. Told me they would see about it Monday. I know they wanted to get a court order to remove the tube. I was put in general population after medical ward. After I got out of jail I went to Baylor and they drained a lot of blood out of wound. She ask if I was in pain, I was relieved after the pressure was gone. Texas State Judge Ramsey said he had a charge of injury to a child I told him I would not sign it. Mcfarling is 6ft. and 230 lbs. I am 83 years old. If this whole thing was a sit ~~at~~ ^{at} I don't know what you would call it. I have sent several request to have Schell and Bush removed as the prevailing judges. Their

attitudes have been the same for the last five years I have been in their court. The is the reason I petition
Sentor Leaky to bring about a investigation and impeachment with charges before the Senate. All of the
statues Bush has quoted are frivolous and do not pertain to mt law suit .Acting as a defined attorney
than a United States District Court Judge,I have more to say if I every get in front of a jury.
